**QUICKSILVER RESOURCES CANADA INC.
APPLICATIONS FOR WELL LICENCES
FERRYBANK FIELD**

**Decision 2007-014
Applications No. 1471995, 1472006,
1472017, 1472096, and 1472097**

1 DECISION

The Alberta Energy and Utilities Board (EUB/Board) hereby accepts the applicant's request to withdraw Applications No. 1471995, 1472006, 1472017, 1472096, and 1472097.

2 INTRODUCTION

2.1 Applications

Quicksilver Resources Canada Inc. (Quicksilver) applied to the EUB, pursuant to Section 2.020 of the *Oil and Gas Conservation Regulations*, requesting approval to drill five gas wells.

The proposed wells were to be located about 19 kilometres southwest of Wetaskiwin.

2.2 Interventions

Herbertus von Freier, Rosemarie von Freier, and Joachim von Freier own and reside on lands on which the proposed wells were to be located. These parties filed interventions in opposition to approval of the subject applications. The von Freiers' concerns related to water quality, environmental impacts, and farming disturbances.

3 DISCUSSION

The Board had not issued a Notice of Hearing for the subject applications, but it had anticipated a public hearing as the von Freiers were viewed to have standing. Quicksilver requested approval to withdraw the applications on February 9, 2007. Pursuant to Section 20 of the *Alberta Energy and Utilities Board Rules of Practice*, the Board accepts the withdrawal of the applications. Accordingly, the Board determines that a public hearing of the applications will not be held.

Dated in Calgary, Alberta, on February 27, 2007.
