**WILDERNESS ENERGY CORP.
APPLICATION FOR A WELL LICENCE
GLENEVIS FIELD**

**Decision 2009-035
Application No. 1596724**

1 DECISION

The Energy Resources Conservation Board (ERCB/Board) has accepted the request from Wilderness Energy Corp. (Wilderness) to withdraw Application No. 1596724 and will not schedule a public hearing to consider the application.

2 INTRODUCTION

2.1 Application

Wilderness applied to the ERCB for a licence to directionally drill a gas well from an existing lease at Legal Subdivision (LSD) 7, Section 1, Township 56, Range 4, West of the 5th Meridian, to a bottomhole location in LSD 7-1-56-4W5M. The purpose of the well was to produce natural gas from the Belly River Formation. No hydrogen sulphide was expected to be encountered in the drilling of the well.

2.2 Intervention

Peter Homeak and Darren Homeak own the land on which the proposed well was to be drilled. Their objection to the application was based on concerns about notification of future projects on their land, safety, and added stress to themselves and their livestock.

3 DISCUSSION

On April 22, 2009, Wilderness notified the ERCB that it wished to withdraw Application No. 1596724, pursuant to Section 21 of the *Energy Resources Conservation Board Rules of Practice*. The Board accepted the withdrawal of the application and will not hold a public hearing to consider it. Wilderness may reapply for the proposed well without prejudice at a later date.

Dated in Calgary, Alberta, on May 12, 2009.
