**BONUS ENERGY LTD.  
APPLICATION FOR A WELL LICENCE  
GREENCOURT FIELD**

**Decision 2009-043  
Application No. 1576494**

---

## **1 DECISION**

The Energy Resources Conservation Board (ERCB/Board)) has accepted the request from Bonus Energy Ltd. (Bonus) to withdraw Application No. 1576494 and cancel the public hearing scheduled to consider the application.

## **2 INTRODUCTION**

### **2.1 Application**

Bonus applied to the ERCB for a licence to drill a directional natural gas well from a surface location of Legal Subdivision (LSD) 12 of Section 24, Township 60, Range 8, West of the 5th Meridian, to a projected bottomhole location in LSD 12-24-60-8W5M. The purpose of the well was to obtain gas containing no hydrogen sulphide from the Gething Formation.

### **2.2 Intervention**

Walter Schmidt and Emiline Schmidt are the landowners of the proposed well site. Wilbert Meunier and Margaret Meunier, Brad Schmidt and Michele Schmidt, and Kevin Meunier and Maureen Meunier are the landowners along the proposed access road for the proposed well. Their objections were based on concerns about the environment, property use, access, weed contamination, wildlife, and interference with farm operations.

### **2.3 Hearing**

The Board was scheduled to hold a public hearing in Barrhead, Alberta, on September 2, 2009, before Board Member G. J. Miller (Presiding Member) and Acting Board Members R. J. Willard, P.Eng., and D. Tingley.

## **3 DISCUSSION**

On June 5, 2009, Bonus notified the ERCB that it was withdrawing Application No. 1576494, pursuant to Section 21 of the *Energy Resources Conservation Board Rules of Practice*, and the Board accepted the withdrawal of the application. Accordingly, the application was withdrawn and the public hearing was cancelled.

Dated in Calgary, Alberta, on June 30, 2009.
