**1 DECISION**

The Energy Resources Conservation Board (ERCB/Board) received written confirmation from the intervening party that it was withdrawing its objection to the applications. Accordingly, a public hearing is no longer required, and the Board has cancelled the hearing.

**2 APPLICATIONS**

Pembina Pipeline Corporation (Pembina) applied to the ERCB for licences to construct and operate pipelines from Legal Subdivision (LSD) 4, Section 11, Township 80, Range 8, West of the 5th Meridian to LSD 2-5-53-23W4M. Pembina also submitted applications to amend existing pipeline licences associated with the Nipisi and Mitsue projects.

An objection to the applications was filed by the Driftpile First Nation. The applicant engaged in discussions with the intervening party and the intervening party withdrew its objection.

On May 10, 2010, a signed withdrawal of objection was received by the ERCB from the Driftpile First Nation.
