Calgary Alberta**QUICKSILVER RESOURCES CANADA INC.
APPLICATION FOR A PIPELINE LICENCE
ENTICE FIELD****2011 ABERCB 014
Application No. 1662419**

1 DECISION

The Energy Resources Conservation Board (ERCB/Board) hereby approves Application No. 1662419, noting that it meets ERCB requirements and noting the receipt of a withdrawal of objection from the intervening parties. Accordingly, the public hearing is cancelled.

2 APPLICATION

Quicksilver Resources Canada Inc. (Quicksilver) applied, pursuant to Part 4 of the *Pipeline Act*, for approval to construct and operate a pipeline for the purpose of transporting natural gas with no H₂S content from Legal Subdivision (LSD) 12 of Section 15, Township 28, Range 26, West of the 4th Meridian, to a pipeline tie-in point at LSD 11-15-28-26W4M. The proposed pipeline would be approximately 0.45 kilometres (km) in length and would have an outside diameter of 88.9 millimetres. The proposed pipeline would be located approximately 2.3 km northwest of Beiseker, Alberta.

Objections to the application were filed by Norman Hagel and Bryan Hagel. Quicksilver engaged in the ERCB Appropriate Dispute Resolution program with the interveners on March 23, 2011. The parties continued the negotiation process and reached an agreement on their own.

3 DISCUSSION

The Board was scheduled to hold a public hearing in Calgary, Alberta, on June 14, 2011, before Board Members T. L. Watson, P.Eng. (Presiding Member), T. C. Engen, and R. McManus.

On May 16, 2011, withdrawals of objection were received by the ERCB from the intervening parties. Accordingly, the public hearing is cancelled.

Dated in Calgary, Alberta, on May 24, 2011.
