Calgary, Alberta**PRIMROSE DRILLING VENTURES LTD.****SECTION 39 REVIEW OF WELL LICENCE NO. 0405699****WILDWOOD FIELD****2011 ABERCB 018****Proceeding No. 1680101**

1 DECISION

The Energy Resources Conservation Board (ERCB/Board) received withdrawals of objection from the intervening parties who applied to the Board to review and vary Well Licence No. 0405699 issued to Primrose Drilling Ventures Ltd. (Primrose). Finding that the licence meets ERCB requirements and remains in good standing, the Board has determined that a review hearing is not required and hereby cancels the public hearing.

2 REVIEW APPLICATION

On December 9, 2008, the ERCB issued the licence to Primrose to reenter a well at Legal Subdivision 6, Section 26, Township 53, Range 9, West of the 5th Meridian. The ERCB suspended the licence on June 25, 2009, following an audit of the well application that determined Primrose was in noncompliance with the public consultation requirements in *Directive 056: Energy Development Applications and Schedules*.

On August 31, 2010, a request to review and vary the licence was made by Katherine Shuttle, Alice Kalinowski, and Victor Kalinowski (intervening parties). Following its consideration of the review and variance application, the Board, on February 3, 2011, granted a review hearing of the licence pursuant to Section 39 of the *Energy Resources Conservation Act* and Section 48 of the *Energy Resources Conservation Board Rules of Practice*.

3 DISCUSSION

On June 8, 2011, the ERCB received withdrawals of objection from the intervening parties and, accordingly, canceled the public hearing.
