Dear Mr. McCabe,

**RE: Grand Rapids Pipeline GP Ltd. Grand Rapids Pipeline Project
Decision 2014 ABAER 012
Condition Compliance Update - Condition 4**

Grand Rapids Pipeline GP Ltd. (Grand Rapids) provides the following update to the Alberta Energy Regulator (AER) on compliance with Condition 4 of Decision 2014 ABAER 012 (Decision) for the Grand Rapids Pipeline Project (Project). Condition 4 states that:

Grand Rapids must use the minimal disturbance techniques outlined in its EPP for the green area and its applications for construction in the green area.

The AER has requested the following, to ensure this condition is met:

Grand Rapids will submit a letter to the AER confirming that the requirement has been met.

Grand Rapids can confirm that it has implemented minimal disturbance techniques during construction in the green area on approximately 180 km to date, along Spreads 1a, 2, and 3. Grand Rapids commits to ensuring minimal disturbance techniques are adhered to for the remainder of construction activities.

If you have any questions or can provide further direction on closing the condition, please do not hesitate to contact me. Sincerely,

Tammy Ramanat
