---

Pembina Pipeline Corporation ("Pembina") is providing the attached right-of-way plan and signed individual ownership plans ("IOP") in fulfilment of Condition #1 of AER Decision 2016 ABAER 004 for the Fox Creek to Namao Expansion Project ("the Project").

Condition #1 states:

*Pembina must reduce the permanent right-of-way (ROW) across Mr. Nielsen's property from a width of 35 m to a maximum of 25 m.*

Pembina confirms that this condition has been met, and this is verified by the ROW plan and IOPs attached to this letter.
