**Applications for a Pipeline and a Multiwell Oil Satellite**

**Entice Field**

**Proceeding ID 339**

## **Decision**

[1] The Alberta Energy Regulator (AER) has decided not to hold a hearing on applications 1832984 and 1832843 and hereby approves both applications.

## **Applications**

[2] Manitok Energy Inc. (Manitok) applied under section 7.001 of the *Oil and Gas Conservation Rules* for a licence for a multiwell oil satellite. Manitok also applied under Part 4 of the *Pipeline Act* for approval to construct and operate a pipeline.

[3] Statements of concern (SOCs) were filed by D. Page, J. Page, and Lausen Ranches Ltd.

## **Discussion**

[4] Manitok engaged in an alternative dispute resolution process, led by an AER hearing commissioner, with the SOC filers. The process resulted in an agreement between the parties, and on January 7, 2016, the AER received a signed withdrawal of the statements of concern.

[5] Accordingly, a public hearing will not be held.

Dated in Calgary, Alberta, on January 15, 2016.
