Attention: Ms. Anastasia Shukalkina

Dear Ms. Shukalkina

**Re: White Spruce Pipeline Project
AER Decision 2018 ABAER 001
Condition Compliance – Condition 4 of the Decision**

TransCanada PipeLines Limited (TransCanada) is providing this letter to inform the AER that Construction for the Project was completed on March 27, 2019 and to confirm condition compliance with Condition 4 of Decision 2018 ABAER 001 (Decision) for the White Spruce Pipeline Project (Project). Condition 4 of the Decision (Condition 4) states:

At wildlife migration or travel corridors identified by TransCanada or the AER, TransCanada must install breaks in windrows to allow wildlife movement across the project footprint.

At wildlife migration or travel corridors identified by TransCanada, breaks in windrows were established and maintained throughout construction to allow wildlife movement across the project footprint.

Should the AER require additional information with respect to compliance with Condition 4 please contact Stefan Skocylas at (403) 920-7695 or email Stefan_Skocylas@transcanada.com.

Sincerely,

Stefan Skocylas
