**Re: Request to Participate
InPlay Oil Corp. Proceeding ID 367**

Dear Mr. Hallahan:

On July 31, 2018, the AER issued a notice of hearing explaining how to file a request to participate in the hearing of InPlay Oil Corp.'s applications 1903071, 1903493, 157592, and 15763. On August 12, 2018, the AER received a request to participate written on your behalf from Mr. Daryl Bennett of My Landman Group Inc. I write to you on behalf of the hearing panel of commissioners (the panel) requesting confirmation of Mr. Bennett's relationship to your participation in this hearing and your preferred method of contact from the AER in this matter. Please confirm whether you wish further communication from the AER to be directed to you and/or Mr. Bennett.

Section 34(3) of the *Responsible Energy Development Act* states that: "...a person who may be directly and adversely affected by the application is entitled to be heard at the hearing."

The panel finds, based upon the information before it at this time, that you may be directly and adversely affected by the above noted applications. Subject to further directions or rulings issued by the panel the panel grants you full participation rights in the hearing. The panel's reasons are as follows:

- You hold valid grazing lease 960093 on the proposed lands of the applications, which grants exclusive grazing rights and occupation.
- You own land at NE 21-041-07-W5M adjacent to the proposed land of the applications.
- InPlay Oil Corp. did not take a position on your participation.

Next Action

Provide written confirmation to hearing services **no later than noon on August 28, 2018**, of

- (i) Mr. Daryl Bennett's relationship to your participation and

- (ii) Who is your designated contact for this matter

In addition to the above, the panel is considering a prehearing meeting with all parties to discuss potential hearing issues and dates. Hearing Services will advise further once all participation decisions have been made.

Sincerely,

Tammy Turner
